

## UHF Outdoor 16-18dB DVB-T/T2 Antenna SRT ANT 100

### DVB T2

#### High quality in a compact size

SRTANT100 UHF outdoor TV-Antenna is an all-in-one solution for an optimum DVB-T/T2 signal reception. The pack includes an extremely compact UHF 16-18dB outdoor TV antenna with an integrated high gain amplifier and also an optimized 4G/5G filter, 20 meters RG6 coaxial cable with IEC male and F-connector and a 5V inserter. The antenna is compatible with horizontal and vertical polarizations and includes U mount system for a quick and easy installation.

- Outdoor UHF 16-18 dB TV Antenna for DVB-T/T2 signals reception
- Compatible with DVB-T/T2 receivers supporting active antenna output (5V)\*
- External 5G/4G LTE filter included for better reception
- Integrated high gain amplifier for optimal signal strength and performance
- Low V.S.W.R
- Compatible with both horizontal and vertical polarizations
- 2-way mounting
- U mounting system, 20 meters RG6 Coaxial cable, 5V inserter for a quick and easy installation
- Durable and weather resistant
- Excellent reception also in harsh environment
- Extremely compact size

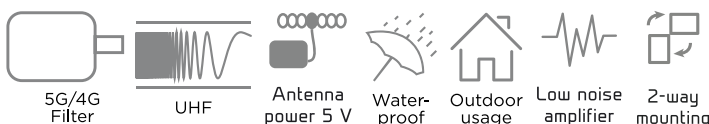

#### Technical Data

Frequency Range UHF: 470-790 MHz  
 Active Antenna Gain UHF: 16 - 18 dB  
 V.S.W.R < 2.5 dB  
 Connector Type F  
 Receiving Range: UHF  
 RF Output Impedance 75 Ohm  
 RF Coaxial Cable 20m black RG6 coaxial cable with IEC Male and F-connector  
 LTE-Filter External  
 5G/4G LTE Filter  
 Power Adaptor 5V Adapter (USB) + Inserter  
 Boom Length: 400 mm  
 Antenna Dimension (WxDxH): 400 x 310 x 55 mm  
 Net Weight: 335g

#### Packaging Content:

1x UHF Outdoor TV Antenna with integrated amplifier  
 1x 5G/4G Filter  
 1x Short coax cable with IEC connector female to IEC male  
 1x 5V Adapter (USB) + Inserter  
 1x 20m Black RG6 coaxial cable with IEC male and F-connector  
 1x U mount system with longer legs  
 Quick installation guide  
 Simplified CE Declaration of conformity  
 Safety and warranty document

\*In case 5V is not supported by the receiver, a power adaptor (included) is required.

SRT ANT 100 EAN: 9120072373077  
 Quantity / Carton: 10 pcs.
