## DUAL-LIGHT IP CAMERA BULLET-DL4AP-5MP-UK

### Enhance your business security with our Dual-light Outdoor IP Camera and its user-friendly app!

Introducing the BULLET Dual-light Outdoor Camera, a comprehensive surveillance solution designed to enhance outdoor security for **small offices**. With its comprehensive feature set, this advanced outdoor camera guarantees enhanced security and reliability for businesses across diverse settings, including boutiques, stores, offices, parking lots, garages, or any other commercial establishments.

With an impressive **5-megapixel** resolution, this camera ensures sharp images, providing an exceptional level of details for comprehensive monitoring. Equipped with advanced **IR and full colour white light vision** features, the BULLET Camera guarantees exceptional visibility, day or night, enhancing surveillance efficiency. Boasting an **IP67** weatherproof rating, it withstands the harshest outdoor conditions, ensuring reliable performance in any environment. Featuring a built-in microphone, Power over Ethernet (POE) support, and sophisticated **human and vehicle detection**, the BULLET Camera offers unparalleled convenience and security.

Seamlessly managed through the intuitive VISION BY STRONG **mobile application**, users can effortlessly control and access camera streams from anywhere, anytime. With support for **NVR and Cloud recording**, coupled with versatile ceiling or wall mounting options, it provides a comprehensive surveillance solution tailored to meet diverse security needs. Elevate your outdoor surveillance system with the BULLET Camera where cutting-edge technology meets reliability.

#### Easy to use with the app

- Take control of your security system anywhere with **Vision by STRONG intuitive app**. Arm/disarm your camera, view live streams, and playback footage from the palm of your hand.
- **NVR recording**: The monitor will show the live view of the camera after the devices are correctly deployed.
- **Cloud recording**: Record and store videos in the cloud.

#### Intelligent & Efficient

- **Motion & Human Detection**: Stay informed of human activity on your premises, reducing false alarms and enhancing security.
- **Vehicle Detection**: Keep track of vehicle movements with precise detection capabilities, perfect for parking lots and garages.
- **Built-in MIC**: Enable audio recording for comprehensive surveillance coverage.

#### Clear Image

- **5MP Resolution**: Sharp visuals with remarkable 5MP resolution, capturing every detail with accuracy.
- **IR Night Vision**: Ensure clear visibility in both low-light and complete darkness conditions.
- **Dual-Light Vision**: Experience full-color video recording day and night with dual-light vision technology, guaranteeing vivid, color images even at night.

## DUAL-LIGHT IP CAMERA BULLET-DL4AP-5MP-UK

### Package Content

1x IP camera  
1x Positioning sticker  
3x Installation screws  
3x Dowels  
1x Waterproof kit  
1x Quick Guide, warranty and safety instructions

### Technical Specifications

Model :	BULLET-DL4AP-5MP-UK
Resolution :	5MP
Aperture:	F1.6
Focal length:	4mm / 6mm (optional)
Audio:	Built-in MIC
Night vision:	Dual-light Vision
Certificate:	CE, EAC, RoHS
Material:	PC
Ethernet:	1*10/100Mbps (RJ45, POE)
Smart Alarm:	Human & Vehicle Detection / Motion Detection / Area Detection / Line Crossing

### Other specifications

Language:	English
ONVIF:	Profile S
Protocol:	TCP / IP, DHCP, HTTP, HTTPS, NTP, DNS, RTP, RTSP, P2P
APP:	Vision by STRONG

### General Specifications :

Power :	DC 12 $\equiv$ 1A or POE 48V $\equiv$ 0.35A
Power consumption:	$\leq$ 7W
Dimension:	203 x 83 x 82 mm
Net Weight:	320g et 0.70 lb
IP grade:	IP67 Outdoor
Installation:	Wall Mounting / Ceiling

### Environment

Working humidity:	<90% (non-condensing)
Working temperature:	-30°~60°C

EAN: 9120072377389  
PCB : 10 pcs
