

DIGITAL HD CABLE RECEIVER HDC2530

Subject to alterations

incl. HDMI Cable

DVB-C **Dolby Audio**

Enjoy Digital Cable TV in HD with HDC2530 and its HDMI cable already included!

Among many cable operators already providing digital television via the cable network, the HDC2530 strikes the perfect balance for those seeking an affordable and easy-to-use cable receiver. Enjoy crystal-clear images and immersive audio directly in your living room, enhancing your viewing experience.

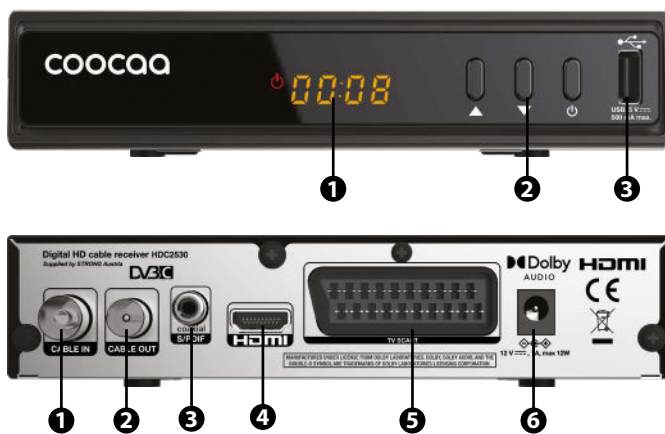

Equipped with a convenient USB port located on the front panel and, notably, an included HDMI cable right out of the box, the HDC2530 allows for effortless playback of media files and software updates. Stay informed about upcoming events with the Electronic Programme Guide (EPG), while the 32 favourite lists enable personalized sorting of TV and radio programs for seamless browsing.

- HDTV receiver for digital TV via cable
- 1 HDMI Cable included.
- USB port: playback, software updates
- Easy installation & user-friendly menu
- Electronic TV Programme Guide (EPG)
- Parental lock function for menu
- Excellent audio and video quality
- 32 favourite lists for TV and radio
- User-friendly remote control
- Multi-lingual support on screen menu (OSD)
- Teletext and multilingual audio tracks
