Create daily routines or set timers to your appliances

ENERGY METER

Easily control your consumption

GROUP CONTROL

With several smart plugs, create groups and control multiple plugs at the same time

WI-FI CONNECTION

Works with 2.4 GHz Wi-Fi network

USB

4\*Ports for charging or power supply any 5V device (5V - 2,4 A max)

EASY SETUP

Step-by-step set-up with Helo by Strong app

4 SOCKETS + 4 USB

4 Outlets Power Strip

16A MAX

Output 16A max, 3680 W

## Power a large number of devices with the Wi-Fi Smart Power Strip with 4 USB ports

Thanks to the 4 outlets and the 4 USB ports of the Wi-Fi Smart Power Strip, plug in several devices at the same time and handle them independently of each other. The Helo-POWER-4-EU connected power strip is compatible with Ok Google or Alexa and allows you to measure your electricity consumption using the Power Meter function. With the Helo by Strong app, you can control your smart home anytime, anywhere!
