Enjoy HD entertainment at a high level

The new HD+ receiver SRT 7806 comes with advanced features. RSS feeds, playback of files from your external USB storage device and 6 favourite lists are among the highlights. The storage capacity of more than 3000 channels and 20 timers level up your options of switching on your preferred shows from the HD+ package. Benefit from your first 6 months with 23 private HD channels and integrated HD+ smartcard for free.

- 23 private HD channels and over 40 Free-to-Air HD channels (free 6 month trial) via smartcard reader encrypted by Nagravision Conditional Access, exclusively for Germany¹
- Digital Free-To-Air programmes via satellite²
- USB port: playback of files³
- RSS feeds and weather forecasts via Ethernet interface³
- Excellent audio and video quality
- 6 favourite lists for TV and radio
- Memory capacity of more than 3.000 channels
- 20 timers
- Electronic TV Programme Guide (EPG) for on screen programme information and schedule for the following 7 days⁴
