Entertainment and convenience

Small and efficient HD receiver with easy installation and handling. You can comfortably record your favourite shows to an external USB storage device or pause a programme with Timeshift. It is equipped with a 7 days EPG so you can easily get an overview of your favourite programmes. And speaking of favourites, you can also set up to four favourite groups to sort the channels of your liking.

- HDTV receiver for digital DVB-T2 Free-To-Air TV and radio programmes via outdoor or indoor antenna¹
- New tuner technology for excellent reception
- USB port: record TV programmes, Timeshift, play files, update receiver software via USB storage device
- Supports HEVC/H.265
- Dolby® Digital Plus² available on HDMI³
- Quick and easy installation & user-friendly menu
- Excellent audio and video quality
- RSS feeds and weather forecasts via Ethernet
- USB power control for power saving in standby mode
- 400 channels memory capacity
- Electronic TV Programme Guide (EPG) for on screen programme information of present/ following event information up to 7 days⁴
- 30 event timers with 3 modes (once, daily, weekly)
- High definition on screen display (OSD)
- Booking of events directly from EPG
