Android TV terrestrial and cable Receiver in ONE Box

With the STRONG Android TV box SRT 423 you get 3 great features in one box. Connect the box to your TV and your TV will be upgraded to a Smart TV with direct access to the Google Play Store! Further it is a small and efficient High-Definition TV receiver for digital DVB-T2 Free-To-Air TV, cable and radio programmes via outdoor or indoor antenna. Equipped with the latest Android version, it is Google certified and gives access to numerous apps, games, streaming services and more. Enjoy your favourite movies directly from Netflix, YouTube, Prime Video or Disney+*. SRT 423 also comes with must-haves such as 4K UHD resolution, H.265 Decoding, Wi-Fi 5 Dual Band, Chromecast function and more. With the fully-featured Google Assistant you can control playback, play or resume TV shows and movies with voice commands and get answers to trivia questions. 2 USB ports, Bluetooth 5.0, Micro SD Card slot, HDMI and Ethernet ports make your TV experience easy, complete and user-friendly.
